Commencement of works	1 st March 2024 Failure of which, GEPL is at the liberty to terminate the contract without giving any notice and the EMD will be forfeited.
Contract Period	Three Years (01.03.2024 - 28.02.2027)

CHAPTER 4: BACKGROUND OF GEPL

4. Background of GEPL: -

K Raheja Corp is the first to pioneer the concept of self-contained townships and commercial business districts which encompass all formats like residential apartments, office spaces, retail and entertainment, virtually making it a mini city with mega comforts. K Raheja Corp is a success story spanned across decades and continues to achieve higher targets relentlessly, for quality performance and service in diverse fields of realty business, hospitality sector and retailing outfits.

Gigaplex Electricity Distribution Licensee - Division of Gigaplex Estate Private Limited, is a Company incorporated under the provisions of the Companies Act, 1956, having its registered office at Plot No. C-30, Block 'G', Opp. SIDBI, Bandra Kurla Complex, Bandra (E), Mumbai - 400 051, Maharashtra, India. GEDL, under Section 3 of the Special Economic Zones (SEZ) Act, 2005 (28 of 2005), is setting up a sector specific Special Economic Zone (SEZ) for Information Technology and Information Technology Enabled Services (IT & ITeS) at Plot No. IT-5, Airoli Knowledge Park, TTC Industrial Area, MIDC, Village Airoli, Taluka Thane, District Thane, in the State of Maharashtra. In view of the above, GEDL is a deemed Distribution Licensee in its SEZ area at Plot No. IT-5, Airoli Knowledge Park, TTC Industrial Area, MIDC, Village Airoli, Taluka Thane, District Thane, in the State of Maharashtra. The Hon'ble Commission, vide Order dated October 26, 2015 in Case No. 198 of 2014, has taken on record the deemed Distribution Licensee status of GEDL and subsequently notified the Specific Conditions of Licence for GEDL on October 26, 2015.

To provide efficient services regarding to power supply and cutting off the monopoly of local bodies GEDL started supplying power to Gigaplex SEZ. GEDL has gone through process of transmission connectivity and necessary changes in electrical infrastructure & started its power distribution operations on 19th April 2016.

There are 05 no's of buildings currently operational spread in the area of 12.91 Hectares. The current load of the SEZ is around 05 MW. The table showing the electrical assets is as shown below:

Table 1: Asset Details -

Particulars	UoM	Remarks
22 kV Feeders- Incomers from 1 no's of nearby EHV sources	Ckt-km	2 (1 Nos Feeders. double run U/G cable)
22 kV Feeders(O/G Feeders)	Ckt-km	4.5 (5 Nos. O/G feeders catering entire premises Load)
Switching Station 22 kV HT Panels (1 I/C + 5 O/G + 1 Spare)	Nos.	7 (VCB's)
22 kV HT Kiosk	Nos.	8
22 kV RMU's (2 I/C+1 O/G)	Nos.	5
22/0.433 kV Distribution Transformers	Nos.	16 (2 X 2 MVA for 2 Nos building, 4 X 2 MVA for 3 Nos Building)
	MVA	32
HT SF6 Breaker Panels (1 I/G + 3 O/G)	Nos.	5
LT Kiosk	Nos.	16
LT Network for associated building & Main MV Panels (including ATS, LT Breakers, MCCB's etc.)	Nos.	8 (1 each for 02 Nos. of buildings and 2 each for 03 Nos building)
Harmonic Filters	Nos.	-
Energy audit meters	Nos.	175 Nos
220/22KV AKP S/s CT, PT, Gantry Structure	Unit.	1 Nos
SCADA network	Nos	1 Nos
AMR network for meter communication	Nos.	At 5 Nos buildings + Switching.

CHAPTER 5: SCOPE OF WORK

5. Scope of Work-

Operations, Repairs & Maintenance of 22 kV, 440 V HT/LT system

- a) Operations, Maintenance & repairs of 22 kV HT Breakers, RMUs, Metering kiosk, ATS (auto tap changeover) and LT breakers, DG operations only & all assets mentioned in the Table 1.
- b) Operations, Maintenance & repairs of 22KV/440V Transformers, 22KV HT, LT panels, LT Kiosk, 22kV HT & LT Cables including attending cable fault (material will provide by GEPL), service cables & all allied electrical network up to metering point of the consumer.
- c) Installation and replacement of HT/LT meters & metering system along with its accessories. Sundries to be provided by service provider (For ex. Screw, anchor & fastener, all types of Copper lugs, ferrules, cable tie, communication cable connector etc).
- d) Provide support during periodic testing of all electrical equipment, including consumer revenue meter in coordination with GEPL testing team.
- e) Keeping record of all O&M activities in specified formats as per approved by company time to time. All the registers will be supplied by the service provider.
- f) Attending breakdowns and emergencies on HT/LT breakers/ RMU/ Metering Kiosk/ Transformer/ LT Kiosk/ HT&MLTP Panels & HT/LT Cables etc.
- g) Connection/Disconnection of the HT/LT cables with transformer bushings & with all other electrical equipment. During the 22KV HT cable fault, cable termination opening and connection in service provider scope including CT, PT connections.
- h) Connection/Disconnection of the LT cables with all electrical equipment's.
- i) Monitoring & maintaining transformer oil level & routine BDV test(s) on oil periodically & submission of reports to the company. Oil shall be supply by the company.
- j) Checking neutral current & carrying out load balancing as and when required.
- k) Checking of neutral earthing periodically to avoid voltage fluctuations in the system.
- l) Checking of Silica Gel & breather as well as supply & replacement of the same as required.
- m) Identify hotspots in the termination & connection in the system & rectification of the same.
- n) Assist the Company's testing team for periodic testing of all the electrical equipment's within the system.
- o) Checking of oil level & attending minor leakages in transformer & OLTC.
- p) Oil filtration of transformer minimum once in a year & as required by company if BDV of the transformer oil goes down below the standards. Oil if needed extra shall be provided by Company. Within the period of 3 years contract all transformer OLTC overhauling need to be done at least once.

- q) Earth resistance to be taken at all transformers, switching station periodically and maintain the earth resistance continuously as specified by the company and submit the report also take corrective action to maintain the earth resistance.
- r) Monitoring the housekeeping of all RMU & Metering cubical room, HT/LT Panel room, distribution transformers, switching stations which confined to removing shrubs, cob-webs, dust removal & cleaning.
- s) Service provider must procure the necessary electrical items required for day-to-day operations as well as maintenance. The electrical items exclude minor sundries include nut bolts, HT tapes, cotton waste, WD40, CRC 400, LT tapes, SS nut bolt, Foam, silicon sealant, Teflon tape etc. & necessary material required for Planned preventive Maintenance activity.
- t) Report of failure equipment and plan for replacement within specified time frame. The major equipment material like HT metering cubicle or Transformer etc. will be provided by company.
- u) Repairing / Replacement of bus-bars.
- v) Repairing & servicing of HT/LT breakers.
- w) A team of Planned Preventive Maintenance ("PPM") team shall be available at site in general shift & emergency condition to attend the PPM & any breakdown activities.(to attending breakdown additional manpower in contract scope as per site requirement)
- x) Disconnection & Reconnection of the network.
- y) Meter reading of all energy meters for billing purpose on periodic(Hourly, Daily, weekly, Monthly) basis as required by Shift-In-Charge time to time.
- z) Service provider need to attend cable fault work within specified time given by company as per condition.
- aa) The Service Provider shall manage preventive maintenance schedule of the HT/LT Distribution system equipment in consultation & coordination with respective Shift In-charge of the company.
- bb) The Service Provider shall provide all necessary labour, supervisory and managerial staff having requisite experience and knowledge as may be required to perform work, the personnel/individual employed by the Service Provider shall be well qualified personnel possessing requisite technical and academic qualifications required to perform the duties to which they are assigned.
- cc) The allocated area of operations, manpower requirement, resource requirement, and the Scope of Work shall be subject to review and amendments after every three (3) months mutually agreed.
- dd) The Service Provider shall ensure that its employees and staff interact and behave with any consumer with courtesy and in respectful and polite manner. In case any of the personnel is found to be indulged in illegal/immoral activity, the Service Provider shall promptly remove/withdraw such personnel and initiate necessary legal action against such personnel.

- ee) The Service Provider shall maintain and regularly update operation and maintenance logs, records, consumer feedback reports and allied notes and documents of the area office in such format as may be specified by the Company and produce the same on demand. The Service Provider shall maintain with diligence current revisions of drawings, specifications, lists, clarifications, and other materials related to operation and maintenance work provided to the Service Provider by the Company and produce the same on demand by the Company.
- ff) Personnel employed by the Service Provider to perform the Scope of works shall always be the employees of the Service Provider, and their working hours, rates of compensation, and all other matters relating to their employment shall be determined solely by the Service Provider. Only with respect to working hours, the timings shall be determined by the Service Provider in consultation with the Company. The Service Provider shall also bear all expenses/costs towards salary, allowances, perks, travelling allowances, advances, insurance, safety measures, security, transportation and all other misc. expenses etc. of its employees/workmen and employee authorization from E.I. office.
- gg) The service provider shall also conduct quarterly trainings of Safety & O&M related sessions to its personnel's.
- hh) The Service Provider shall ensure that all its personnel wear proper uniforms and always display their identity cards and produce the same whenever demanded by the Company.
- ii) The service provider ensure new join employee will have minimum 15 days training period and ensure the safety induction program during the training period. After confirmation of site in charge new employee will be authorize to work on site with E.I. authorization.
- jj) The Service Provider shall deploy adequate human resources as required for carrying out the work as mentioned in Scope of Work. The Company shall have the right to check the credentials of any personnel as also their qualification details
- kk) The Service Provider undertakes to ensure that its personnel, whilst carrying out the terms and conditions, take adequate care as to the property, assets etc. belonging to the Company, if any. Any damage caused to the Company's proprietary items and property shall be recovered from the Service Provider, by deduction from the payment of invoices.
- ll) Any changes in the HT/LT network should be in consultation with the company.
- mm) Adherence to the SOP & Safety Manuals of the Company.
- nn) Patrolling of the cable route between interconnecting MSETCL substation and licensee switching station once in a day and keep records.
- oo) Attending cable faults, on the interconnecting cables. (Fault identification, Hi-Pot/Megger, all the material e.g. joints, terminations, cable etc, manpower, Liasoning work with statutory authorities e.g. Municipal

Corporation, RTO, Police department etc. would be in the scope of the service provider). For supply of material pertaining to this point, annual rate approval may be done by GEPL.

- pp) Attending cable faults on all HT and LT cables, transformer terminations etc, inside the specified area of DL. (Fault identification, Hi-Pot/megger, other services e.g. supply of manpower for excavation, hydraulic breaker etc. would be in the scope of the service provider). For supply of material e.g. cable joint, cable terminations, pertaining to this point, annual rate approval may be done by GEPL.
- qq) Taking spare incomer cable between interconnecting MSETCL substation and licensee switching station into service, in case one of the incomer cables becomes faulty and going to take time to attend its fault.
- rr) To take weekly, monthly meter readings with MRI at interface points for all 22kv incomers to GEPL. MRI will be provided by company. Existing manpower may be utilised to other O&M work by GEPL as per requirement.
- ss) Arrangement of daily Drinking water, tables, fans at Switching station & building LT room will be in scope of service provider.
- tt) For preparing & monitoring daily reports, e mails service provider need to provide the Desktop/laptop along with printer at site office.
- uu) Following table shows the minimum no. of personnel required for day to day operations:

Table 2: Minimum No. of Person to be deployed- To be revised as per current requirement

#	Designation	Minimum Qualification Required	Minimum Experience in no. of years	Minimum No. of Persons	Remarks
1	Tech. Supervisor	B.E/Diploma in Electrical Engineering	For B.E -3 years For Diploma- 5 Years.	1	Overall site In-charge of the site from Contractor's side
2	Shift HT/LT Operator	I.T.I. Electrical, Wireman or Supervisor License holder	3 years	18	Including Reliever
3	Technician for PPM activity	I.T.I. Electrical, Wireman or Supervisor License holder	5 years	2	-PPM technician on daily, excluding weekly OFF

*- Penalty for non-attendance of technical supervisor/shift Engineer/operator/Technician shall be 2 times of the regular per day salary of the personnel. (In this case monthly pay out of respective personal will be considered for calculate the per day salary)

*Service provider to take permission from Authorities like Corporation, RTO etc. required for attending the cable fault work etc.

*For new join employee need to submit the E.I authorization within the 15 days of joining.

*During the PPM activity additional manpower will be in scope of service provider as per site activity/requirement.

Health, Safety, Environment & Quality

- a) All the above-mentioned work is to be carried out in a safe & efficient manner. Quality workmanship to be adhered with respect to all above said works.
- b) The list of personnel authorized to operate and repairs is to be certified from Electrical inspector authority, IE&L department, Government of Maharashtra by the service provider and amended time to time. The personnel shall be authorized by IE&L Department from day 1 of the employment at the site, if fails to submit E.I authorization, penalty of Rs. 500.00 Per day per employee will be impose in monthly invoice.
- c) All the installations to be erected adhering to the rules of IE rules 1956 and subsequent amendments.
- d) All Safety PPE will be provided by the service provider at no extra cost given by the company.
- e) All Safety registers will be provided by the service provider.
- f) Uniforms for all staff will be provided by service provider which is approved by company.
- g) The Service Provider confirms and undertakes to comply with all applicable labour laws/model standing orders and other statutory provisions as applicable in discharging its functions and duties under these presents and fully observe applicable safety rules and regulations. The Service Provider further undertakes to provide protective safety equipment's like Safety Shoes, Safety Belts, Goggles, hand gloves etc. to its employees/workmen deployed. It shall be also obligatory on the Service Provider to comply with all the statutory requirements related to work-permit periodic testing of various tools and tackles, including lifting tools and testing kits etc. The Service Provider shall ensure adequate safety precautions at site as required under by law and shall be entirely responsible for the complete safety of its workmen as well as other workers, general public, equipment, structures etc. at site.
- h) It shall be the sole responsibility of the Service Provider to ensure strict compliance of all labour, industrial and other enactments, rules and

orders, supply of goods, safety and security of people and property etc. Any default for non-compliance of the above on the part of the Service Provider, shall render this entire Agreement liable for termination.

OBLIGATIONS OF THE SERVICE PROVIDER

- a) **The service Provider shall execute an Agreement with the Company for the Contract Period. The draft of the Agreement is annexed in Chapter 10.**
- b) The Service Provider shall discharge its obligations in a professional and workmanlike manner to the satisfaction of the Company. It shall fully comply with all statutory and regulatory requirements and shall ensure that it has sufficient manpower, weekly off relievers, absentee reliever or additional manpower as may be intimated in writing by the designated officers of the Company to carry out tasks defined in the scope of work. The Service Provider shall be under duty to obtain necessary instructions from the authorized representative of the Company from time to time and shall strictly abide by the same.
- c) The Service Provider shall permit at any point of time without any hindrance, the authorised representative of the Company to inspect the operation and maintenance works and records, documents, etc. from time to time as and when required by the Company.
- d) The Service Provider shall further ensure that all personnel deployed by it shall bear a good moral character and shall not indulge into any illegal/immoral act. In case any of the personnel is found to be indulged in illegal/immoral activity, the Service Provider shall promptly remove/withdraw such personnel and initiate necessary legal action against such personnel.
- e) The Service Provider shall maintain a job sheet, log report and fill in the details of time in and time out and such other details as may be necessary to keep track of daily attendance and movement of the gangs and technicians, which needs to be verified and signed by the Company's personnel on a daily basis.

Service Level Agreement

Adherence to performance standards

For each cause of power supply failure, the standards of performance issued by MERC & amendments thereof time to time will be applicable. However, restoration of power supply to the consumer will be done immediately / on priority from alternate source. Delay to non-attending the fault will attract penalty as per MERC guidelines with latest amendments and would be deducted from the invoices.

Failure of Distribution transformer

The service provider is entrusted with periodic maintenance of distribution transformer including regular load monitoring & load balancing. The service provider shall submit the report of the maintenance carried on various electrical equipment's on periodical basis as per the PPM schedule provided by the company.

Resource Requirement

- a) The service provider is required to provide at its own cost the tools & tackles, safety equipment / storage cupboards / racks for keeping belongings / tools/Table & Fan/Vehicle /employee locker at Building level/PPM material as per list approved by company, material transport trolley etc.
- b) The service provider has to manage all the above work mentioned in scope of work.
- c) All minor sundries as like all size SS Nut Bolts, HT/LT Tape, WD40, CRC, Teflon tape, Silicon sealant, Grease, Cotton Waste, PU Foam, fuse, battery cells, tarpaulin, big umbrella in rainy season etc. shall be provided by service provider at no additional cost.
- d) The service provider shall consider all tools & tackles / communication facilities (mobile to each building operator as well as technical supervisor for communicate), vehicles for transportation of men & material etc.
- e) As mentioned below instruments should be available to carry out the operations & maintenance work at any given point of time regularly. All the equipment's shall be calibrated regularly. Replacement of the faulty equipment is also the responsibility of the service provider. The replacement shall be done on an immediate basis, if faulty equipment not replaced immediately or delay in calibration renewal then penalty will be applicable in performance evaluations. Equipment standard make list will be provided by company and attached herewith.
 - i. Digital Insulation tester (5 KV)
 - ii. Digital Earth resistance tester
 - iii. Digital Multimeter (3Nos.)
 - iv. Phase sequence meter (3Nos.)
 - v. Clamp-On meter (8Nos.)
 - vi. Oil BDV test set (1Nos.)
 - vii. Discharge rod (6 Nos.)
 - viii. Shorting links with crocodile clips (3 Set.)
 - ix. AC Hi-Pot Kit (1 Nos.)
 - x. DC Hi-Pot Kit (1 Nos.)
 - xi. Neon HT Tester (2 Nos.)
 - xii. Welding Machine (1 Nos.)
 - xiii. Motorized Nut Driver (2 Nos.)
 - xiv. Hammer Drill Machine (1 Nos.)

- xv. Blower (2 Nos.)
- xvi. Hot Gun (2 Nos.)
- xvii. Grinder (1 Nos.)
- xviii. Vacuum Cleaner (1 Nos.)
- xix. Garden Sprayer Pump)1 Nos.)

- f) In addition to the above mentioned list, the service provider should possess screw driver set, hammer, pliers, hacksaw, knife, spanners, line tester, hand gloves(as Per IS), gum boot, safety shoes, helmet, ratchet set, chain pulley, ladder (30ft), crimping tool, torch, manila rope, safety belt, rain coat first aid box & kit for all building operator as per list approved by company etc.
- g) Service provide shall provide PPE's & Safety material to individual employee such as- Uniform, safety shoes, helmet, safety jacket, line tester, face mask, raincoat.

Service provider shall follow Govt. guidelines during any pandemic situation such as COVID-19 etc. and follow all rules.

Toolbox stock, testing equipment's and PPM materials		
Sr. No.	Particulars	Make
1	Digital Insulation tester (5 KV)	Megger
2	Digital clamp on Earth resistance tester	Meco/Motwane
3	Digital Multi Meter 15B	Fluke
4	Digital and Analog Phase sequence meter	Meco PSI 2016 for digital and AE for analog
5	Clamp-On meter 0 to 1200A	Meco-TRMS Model No 1080
6	Motorized XEMER Oil BDV test kit with timer (0-60 kV)	catalog to be share with KRC for confirmation
7	22 kV Discharge rod	ISI make
8	Shorting links for indoor panel with crocodile clips	ISI make
9	AC Hi-Pot Kit (0-50 kV, 100 mA)	catalog to be share with KRC for confirmation
10	DC Hi-Pot Kit (0-30 kV, 10 mA)	catalog to be share with KRC for confirmation
11	Neon HT Tester	Standard make
12	Portable Welding Machine	Standard Make
13	BOSCH Motorized Nut Driver Chargeable	BOSCH- GSR 185

14	BOSCH Hammer Drill Machine (metal & concrete bit set)	BOSCH
15	Blower	Standard Make
16	BOSCH make Hot Gun	BOSCH
17	Grinder (with metal and concrete blades)	BOSCH
18	Vacuum Cleaner (2200 - 2400 mm of wc)	BOSCH
19	combination Plier (with insulation)	Taparia
20	Screwdriver (+,-)	Taparia
21	Screw driver set	Taparia
22	Industrial Knife	
23	Knife blade	
24	Wire stripper	Taparia
25	Adjustable wrench 12"	Taparia
26	Adjustable wrench 8"	Taparia
27	LT Hand gloves (650 V working potential)	ISI make/3M
28	HT Hand Gloves (33 kV working potential)	ISI make/3M
29	LN key set(1/10mm)	Taparia
30	1/2 & 1/4 Dr Socket wrench	Taparia
31	Torch rechargeable	Standard Make
32	Electrical safety risqué rod	Standard Make
33	Hammer	Standard Make
34	First aid box	Standard Make
35	Nose plier	Taparia
36	Ring & Fix spanner (6 to 22)	Taparia
37	Pipe wrench 18"	Taparia
38	One side ring & one side fix spanner (22, 24, 28 & 32)	Taparia
39	Small Hammer	Standard Make
40	Round File 12 inch	Standard Make
41	Half Round file (Rough 12 inch)	Standard Make
42	Bimetallic Sheet (Cu-Al) 3 mm x 1 sqft	
43	Temperature Gun	Standard Make
44	Hydraulic Crimping machine with dia 25mm to 300 mm	Standard Make
45	Modular network crimping tool RJ45 and line tester Rj45	Standard Make
46	Electrical Extension board(30 Mtr. 3x4 sq mm)	
47	Measurement tape (5 mtr)	Standard Make
48	vernier caliper	Standard Make
49	Hacksaw blade for small frame	
50	Hacksaw blade white (High speed 24 speed, 30mm)	
51	Hacksaw Frame Small & Big	
52	Hydro meter	Standard Make/MEGA
53	500,1000 Watt halogen lamp with tube	Standard Make

CHAPTER 6: QUALIFICATION REQUIREMENT

6. Qualification Requirement

- a. The contractor should have all mandatory registrations – PAN, GST, EPF, ESIC, labour. The contractor shall have valid Electrical contractor license issued by Maharashtra Govt. The contractor shall have at least one Electrical Engineer on rolls having minimum experience in licensee / franchisee for at least 5 years. The Contractor shall fill the format for the same as per **Format A1**.
- b. The Bidder should have a minimum 05 years of experience as on 01-01- 2024 in the field of operation and maintenance of electrical network in distribution licensee / distribution franchisee / IT Parks (Minimum no. of buildings- 5 no's). The bidder shall furnish previous work orders / Satisfactory Completion certificates for establishing the experience as per **Format A2**.
- c. Average turnover for last three year should be minimum of Rs. 1 Crore (as on 31-03-2023). The Audited / certified Balance sheets (by Chartered Accountant) of at least last three years are to be enclosed as proof. The average turnover for last three years to be filled by the bidder in **Format B**

CHAPTER 7: BIDDING DOCUMENTS

7. Bidding Documents

- a) Bid documents need to be submitted in 2 separate envelopes super scribed Technical Bid / Commercial Bid for “Operation, Repairs & Maintenance contract of Serene Electricity Distribution Licensee Division of Gigaplex Estate Private Limited SEZ at Airoli”, sealed & coupled together as per the procedure narrated below. The tenders should be submitted at following address:

Mr. Nitin Chunarkar
Mindspace Business Parks Pvt Ltd
Power Office, Beside Building No - 9
Plot No 3 , KTTC Industrial Area,
Opposite to Airoli Railway Station,
Airoli (East), Navi Mumbai.

Bidders may also submit the Tender by post or in person so as to reach us on or before scheduled date and time given in event schedule. GEPL shall not be responsible for any postal delay. Each paper of Tender documents should be stamped & signed by the authorized signatory of the bidder.

- b) **First envelope (Technical Bid) should contain:**
- i. Pay Order / Banker’s cheque / Bank Draft for “Earnest Money Deposit” (EMD) valid for 90 days.
 - ii. Format A1 & A2
 - iii. Format B
 - iv. Signed copy of the entire tender document.
 - v. Authorization letter from the Competent Authority of the Bidder in favour of the person submitting the bid.

The Technical Proposal should NOT contain any price information. Such proposal, if received, will be rejected.

Note: Original documents need not be submitted with the bid offer. However, the bidder should provide the original documents at the time of verification by the GEPL. GEPL may seek additional documents / information, if required, for ascertaining the eligibility of the Bidder.

After scrutinizing the Technical Bid parameters, Bidders who qualify will be shortlisted. Bidders who fulfil the requirements of Technical Bid will only qualify for opening of 2nd Envelope i.e. Commercial Bid.

- c) Second envelope (Commercial Bid) should contain “**Format C**” specifying the price in Indian Rupees.

The financial bid shall not be containing any conditions. The bids with conditions shall be summarily rejected.

Note: Contract Price should include minimum wages, EPF, ESIC, Bonus, Escalation on account of increase in minimum wages during the contract period for the first year include Profit, lump sum payment towards the cost such as Insurance, PPE (personal protective equipment), safety shoes, tools required, mobile charges, etc.

d) Documents constituting the Bid

The Bidder is expected to examine all instructions, forms, terms and specifications in the Bidding Document. Failure to furnish all information required in the Bidding Document or to submit a Bid not substantially responsive to the Bidding Document in every respect will be at the Bidder's risk and may result in the rejection of the bid at the discretion of the GEPL.

e) Clarification / Amendment of Bidding Document

- Bidder requiring any clarification of the Bidding Document may notify the company in writing at the registered address or by e-mail indicated as per time and date mentioned in Schedule of Events.
- Text of queries rose (without identifying source of query) and response of the GEPL together with amendment to the bidding document, if any, will be posted on GEPL's website. No individual clarification will be sent to the bidders. It is the responsibility of the bidder to check the website before final submission of bids.
- Relaxation in any of the terms contained in the Bid, in general, will not be permitted, but if granted, the same will be put up on GEPL's Website.
- All bidders must ensure that such clarifications / amendments have been considered by them before submitting the bid. Company will not take responsibility for any omissions by bidder.
- At any time prior to the deadline for submission of Bids, the Company, for any reason, whether, at its own initiative or in response to a clarification requested by a prospective Bidder, may modify the Bidding Document, by amendment.
- In order to enable bidder's reasonable time in which to take amendments into account in preparing the bids, the Company, at its discretion, may extend the deadline for submission of bids.

- f)** The bidder shall make independent enquiry and satisfy himself as to all the required information, inputs, conditions, circumstances, and factors, which may have any effect on its bid price and also on the works mentioned under scope of work and documents. The bidder shall visit the site and conduct a proper due diligence and satisfy himself. No queries shall be entertained post submitting the bid.

g) EMD may be forfeited:

- a. If a Bidder withdraws or amends its bid during the period of Bid validity specified herein; or
- b. If a Bidder makes any statement or encloses any form which turns out to be false/incorrect at any time prior to signing of contract; or
- c. In case of a successful Bidder, if the Bidder fails: (i) To sign the contract with the Company.

CHAPTER 8: SPECIAL CONDITIONS OF CONTRACT

8. SPECIAL CONDITIONS OF CONTRACT:

1. Language and Measures

All documents pertaining to the Contract including specifications, schedules, notices, correspondences, operating and maintenance instructions, drawings or any other writing shall be written in English language. The Metric System of measurement shall be used exclusively in the Contract.

2. Contract Price

The Contract Price shall mean the firm price quoted by the Contractor in his Bid for the entire scope of works. The Contract Price shall remain firm during the first year of the Contract Period and shall not be subject to variation on any account.

3. Increase/Decrease in Contract Price

The Contract Price is fixed for the period of first year of the contract Period. The increase / decrease in the contract price for 2nd and 3rd year of the contract period shall be computed by considering **30% weightage** to the average yearly inflation derived based on the monthly **Wholesale Price Index (WPI)** of the respective past five financial years as per the Office of Economic Advisor of Government of India and **70% weightage** to the average yearly inflation derived based on the monthly **Consumer Price Index (CPI)** for Industrial Workers (all-India) of the respective past five financial years as per the Labour Bureau, Government of India **or 5% whichever is lower.**

4. Taxes and Duties

The Contract Price is inclusive of all the taxes, duties and levies as on date of execution of Contract. Any variation in Contract Price due to variation in taxes, duties and levies including Goods & Services Tax (GST) shall be borne by the GEPL (in case of increase)/passed on to the PL (in case of reduction).

The Contractor shall be liable and pay all taxes, duties, levies lawfully assessed against the GEPL or the Contractor in pursuance of the Contract. In addition the Contractor shall be responsible for payment of all duties, levies and taxes assessed against the Contractor for his personal income & property only.

The SEZ (IT and ITES) has been published in the Gazette of India, {Extraordinary, Part II-Section 3/Sub-section(ii) }, vide Notification S.O. No.169-E dated June 11, 2013, Under the provisions of SEZ Act 2005 notified by the Central Government and the SEZ Rules 2006, framed thereunder; the following provisions are applicable to the developer:

(1) As per section 7(5) (b) of the Integrated Goods and Services Tax Act, 2017 supply of goods or services or both to or by the SEZ Developer or SEZ unit shall be treated to be a supply of good or services or both in the course of inter-state trade or commerce.

(2) As per section 16 (1)(b) of the Integrated Goods and Services Tax Act, 2017 supply of goods or services or both to SEZ Developer or SEZ unit shall be treated as “Zero Rated Supply”.

5. Terms of Payment

The Contractor shall raise the invoice on 1st of every month (e.g.- for the month of April the contractor shall raise invoice on 1st May). Within 30 days of the receipt of the Invoice along with necessary documents as mentioned below:

- Proper TAX invoice (GST compliant).
- Biometric Attendance Sheet duly signed by In-Charge from Contractor’s side.
- PF Challan Copy
- ESIC Challan Copy
- Wage Register duly signed by all employees of the Contractor.
- Any other compliance documents required by Company from time to time.

6. Use / Confidentiality of Contract documents and information

The Contractor shall not, without obtaining the GEPL’s prior written consent, disclose the terms of this Contract, or any provision thereof, or any past, present or future data or know-how or information or intellectual property, including but not limited to specification, plan, drawing, pattern, sample or information furnished by or on behalf of the GEPL (whether tangible or intangible), or techniques, designs, engineering, prototyping, finances & financial data, and other materials whether created or produced by and/or on behalf of the GEPL or is otherwise acquired in anticipation of, during, or as a result of, or in any way connected with this Contract as disclosed to the Contractor by the GEPL (“**Confidential Information**”), to any person other than a person employed / hired / contracted, as the case maybe, by the Contractor in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for the purpose of such performance.

The Contractor shall not, without the GEPL’s prior written consent, make use of any document or information enumerated in various Contract documents except for the purpose of performing the Contract. The Contractor shall keep the Confidential Information confidential, to not disclose the same and to safeguard the Confidential Information in the same manner that the Contractor treats its’

own confidential information of like kind, but not less than a reasonable degree of care.

The Contractor shall not communicate in advertising, publicity, sales releases or in any other medium, photographs or other reproduction of the Works under this Contract, or descriptions of the site, dimensions, quantity, quality or other information, concerning the works unless prior written permission has been obtained from the GEPL.

Any document, other than the Contract itself, enumerated in various Contract documents shall remain the property of the GEPL and shall be returned (in all copies) to the GEPL on completion of the Contractor's performance under the Contract if so required by the GEPL.

7. Liability for accidents and damages

Under the Contract, the Contractor shall be responsible for loss or damage to any personal, asset, electrical equipment's during the operations, repairs and maintenance. While carrying out any electrical operations or activities service provider to ensure the all safety of employee, use of all PPE and follow the SOP's. If any electrical accident happens on site then service provider shall be responsible.

8. Termination of Contract on GEPL's Initiative or Contractor's Initiative

The GEPL reserves the right either to terminate the Contract due to reasons mentioned under clause entitled 'Contractor's Default' or on its own. The GEPL shall in such an event give sixty (60) days' notice in writing to the Contractor of his decision to do so. The Contractor on its own can also terminate the Contract by giving ninety (90) days' notice.

The Contractor upon receipt of such notice shall not discontinue the work and continue to do the works mentioned in scope of works till the date of termination i.e. sixty days from the date of termination.

9. Workman's Compensation Fund and Employer's Liability Insurance

The Contractor shall cover all his employees under workmen's compensation and under the liability insurance as per applicable provisions/law. The GEPL shall not be responsible for any payments of compensation or otherwise to the workers/employees for fatal or non-fatal accidents during the Contract Period or arising due to the works carried out under the Contract.

10. Contractor to indemnify the GEPL

The Contractor shall Indemnify the GEPL and every member, officer and employee of the GEPL, Engineer and his staff against all acts, actions, proceedings, claims, demands, costs, litigations, losses and expenses

whatsoever, arising due to any act of omission or commission by the Contractor & out of or in relation to the matters referred herein or elsewhere. The GEPL shall not be liable for intervention of any authority for or in respect of performance of its' obligation under the Contract Documents. The GEPL shall not be liable for or in respect of or in consequence of any accident or injury to any workman or other person in the employment of the Contractor and the Contractor shall indemnify and keep indemnified the GEPL against all claims, demands, proceedings, cost, charges and expenses whatsoever in respect thereof or in relation thereto.

11. Discipline of Workmen

The Contractor shall adhere to the disciplinary procedure set by the In-Charge in respect of his employees and workmen at Site. The In-Charge shall be at liberty to object to the presence of any representative or employee of the Contractor at the Site, if in the opinion of the In-Charge such employee has misconducted himself or is incompetent or negligent or otherwise undesirable and then the Contractor shall remove such a person objected to and provide in his place a competent replacement.

12. Facilities to be provided by the GEPL

Space

The In-Charge shall at his discretion and for the duration of execution of the Contract make available at site, one small room for sitting required for execution of the Contract. On completion of work the Contractor shall hand over the room duly cleaned to the In-Charge.

13. Anti Corruption Policy

(a) The Contractor will abide by and comply with the conditions of the Anti-Corruption Policy (see website "<http://mindspaceindia.com/images/new-images/Policies/Anti-Corruption-Policy.pdf>" for the complete Anti-Corruption Policy), as a binding obligation under this Contract. For the purpose compliance with the Anti-Corruption Policy by the Contractor" and the Anti-Corruption Policy will be read accordingly.

(b) All invoices of the Contractor must be accompanied with the following certification, duly signed by the authorized signatory of the Contractor :

"We _____, hereby confirm that as per the terms of the Agreement / PO / WO dated _____, we have completely implemented and adhered to the Anti-Corruption Policy (Annexure "___" thereto) in respect to our business and indemnify and agree to keep Gigaplex Estate Private Limited indemnified for any damages to Gigaplex Estate Private Limited for the violation of same."

- (c) The Contractor shall promptly notify the GEPL of any violation or potential violation of the Anti-Corruption Policy, and shall be responsible for any damages to the GEPL for the violation of same. Any violation of Anti-Corruption Policy may lead to termination of all business connections with the Contractor.

14. **Relationship**

- (a) None of the provisions of this Contract shall be deemed to constitute or create the relationship of employer and employee, principal and agent, partnership, joint venture, franchisee or franchisor, or any other fiduciary relationship/association between the Parties and/or any of hereto and neither Party shall have any authority to bind or shall be deemed to be the agent of the other in any way. The Parties intend, and the Contractor acknowledges, that the Contractor will remain throughout the term of this Contract, as an independent contractor. Accordingly, the Contractor agrees that the Contractor and/or its employees/personnel will not be qualified to participate in nor be entitled to worker's compensation, retirement, insurance, leave or other benefits afforded to employees of the GEPL.
- (b) The relationship between the parties under this Contract is on a principal-to-principal basis and nothing contained herein shall be construed as constituting any relationship of agency, partnership, joint venture or sharing of profits.

15. **Severability**

Whenever possible, each provision of this Contract shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract should be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Contract. In such event, the Parties shall negotiate, in good faith, a valid, legal and enforceable substitute provision, which most nearly affects the Parties' intent in entering into this Contract.

16. **Survival**

Where the purpose and the text of a provision in this Contract clearly indicate intent to survive termination of this Contract, such provisions shall survive the termination of this Contract.

17. **Arbitration**

If any dispute arising between the Parties is not settled within fifteen (15) days of commencement of amicable attempts to settle the same as provided above, the dispute shall be referred to, and be finally settled by arbitration. The Parties agree

that the arbitration proceedings will be conducted at Mumbai and the proceedings shall be conducted in the English language and shall be governed by the provisions of the Arbitration and Conciliation Act, 1996, or any statutory modification or re-enactment thereof for the time being in force. The Parties agree that the Dispute shall be adjudicated by a single arbitrator mutually agreeable to, and appointed by, the Parties. In the event the Parties fail to appoint a single arbitrator the and the Contractor shall appoint one (1) arbitrator each and the two (2) arbitrators so appointed shall nominate a third, presiding arbitrator. The decision of the arbitrator(s) shall be final and binding on the Parties. Each Party will be responsible for the costs of appointing their respective arbitrator as contemplated herein however where a joint appointment of an arbitrator occurs, the costs thereof will be shared equally by the Parties. Notwithstanding the pendency of any Award or difference between the Parties or any proceedings thereto, the Contractor shall be continue to provide the Services as stated herein.

18. **Jurisdiction**

This work order shall be construed under and governed by the laws of India and each party hereby expressly and irrevocably submits itself to the exclusive jurisdiction of Courts of competent jurisdiction at Mumbai, India.

19. **Yearly Escalation:** The Contract Price is fixed for the period of first year of the contract Period. The increase / decrease in the contract price for 2nd and 3rd year of the contract period shall be computed by considering **30% weightage** to the average yearly inflation derived based on the monthly **Wholesale Price Index (WPI)** of the respective past five financial years as per the Office of Economic Advisor of Government of India and **70% weightage** to the average yearly inflation derived based on the monthly **Consumer Price Index (CPI)** for Industrial Workers (all-India) of the respective past five financial years as per the Labour Bureau, Government of India **or 5% whichever is lower.**
20. Please note that, service provider is obligated to provide yearly increment to the employees of the service provider which is apart from the TA DA's revisions guidelines laid by Government.

21. **Monthly performance evaluations:**

10% of Monthly bidding price shall be released based on the service provider's monthly performance evaluation done by KRC official on following points.

- a. **Safety:** Daily tool box talk, use of PPEs, zero incidence or accident during the month, random checks by DL officers, visit by safety officer at least once in a month.
- b. **Material/Equipment stock:** keeping of sufficient material stock/ sundry as per material list mentioned in RFP document.

- c. **Uniform/grooming/punctuality:** Adhere to Uniform/grooming/punctuality, to be checked by DL site in charge, Uniform code for daily office work and PPM shall be select under the guidance of KRC officials.
- d. **Operation Area:** Maintaining the cleanliness at operational area. Service provider's owner shall conduct monthly meetings with KRC officials to comply with previous month pending points.
- e. **Keeping Daily Records:** Keeping daily records e.g. Recording of readings, given check lists, Log registers etc. Keeping daily energy audit by service provider.
- f. Equipment's list mentioned in RFP documents is in the scope of service provider.
- g. No equipment failure due to lack of monitoring. Cable fault to be attended within a day.

CHAPTER 10: DRAFT AGREEMENT

<<Draft>>

This Agreement for Operation, Repairs and Maintenance (“Agreement”) is made and executed at Mumbai on this __ day of _____.

BETWEEN

GIGAPLEX ESTATE PRIVATE LIMITED, a company incorporated under the Companies Act, 1956 having its registered office at Raheja Tower, Level 5, Block-G, Plot No.C30, Next to Bank of Baroda, Bandra Kurla Complex, Bandra (East), Mumbai 400051 (hereinafter referred as the “Company” which expression shall, unless the context otherwise permits, mean and include its successors and assigns);

AND

<<The Contractor name >>, a _____ represented through its _____ residing at _____ having its office at _____ (hereinafter referred as the “Service Provider”, which expression shall, unless the context otherwise permits, mean and include its successors);

The Company, The Contract Manager, the Service Provider shall hereinafter collectively be referred as the “Parties” and individually as the “Party”.

WHEREAS

- 1) The Company is a deemed distribution licensee as authorised under Section 14(b) of the Electricity Act, 2003 by virtue the Notification No.SO. 1695(E)dated 11th June,2013 issued by the Government of India under Section 49 of the Special Economic Zone Act, 2005 to operate and maintain a power distribution system for supplying electricity to the consumers in the area of supply as specified in the aforesaid Notification.
- 2) The Contract Manager has represented to the Company that it has considerable knowledge and experience, trained manpower etc. and is engaged in the field of facilities management and administrative services relating to operation and maintenance of power distribution network at such locations as may be indicated by the Company from time to time and as per the requirements of the Company.

- 3) The Service Provider has been selected through competitive bidding vide tender no. _____ dated _____.
- 4) Based on the aforesaid representation of the Service Provider, the Company has agreed to avail the services of the Service Provider which shall be supervised and overseen by the Contract Manager as per the detailed Scope of Work indicated in Annexure I <<Chapter 5 of this tender>> to this Agreement on such terms and conditions as hereinafter appearing.
- 5) The Contract Manager shall provide to the Company, facilities management and administrative services to manage and oversee the services relating to operation and maintenance of power distribution network as agreed to be provided by the Service Provider to the Company as per the terms and conditions agreed hereunder. The Contract Manger shall not be any manner or for any purpose contractually bound or liable towards the Service Provider under this Agreement.

NOW THIS AGREEMENT WITNESSES AND THE PARTIES HEREBY AGREE AND UNDERTAKE AS UNDER

1) COMMENCEMENT, TERM AND CONTRACT VALUE

This Agreement shall be deemed to come into force with effect from 1st March 2024, which shall also be deemed to be the Effective Date for the purpose of this Agreement, and unless terminated, shall continue to remain valid and subsisting and bind the Parties herein for a fixed period of three (3) years from the Effective Date (“Term”) above mentioned.

Contract Value

In consideration of the services as set out in the Scope of Work in Annexure 1 hereto agreed to be provided by the Service Provider to the Company as per purchase orders/work orders issued by the Company to the Service Provider, the Company agrees to pay to the Service Provider the service providers cost escalated on the expiry of each year of the Term as follows:

Sr. No.	Period during the Term	Service Providers Cost (per month)
1.	First year from the Effective Date i.e. from 1 st March 2024 to 28 th February 2025	<<arrived through competitive bidding>>
2.	Second Year i.e. from 1 st March 2025 to 28 th February 2026	<<Escalation at the rate as per tender terms>>
3.	Third Year i.e. from 1 st March 2026 to 28 th February 2027.	<<Escalation at the rate as per tender terms>>

The service providers cost as set out in this Clause 4A(i) is hereinafter collectively referred to as "Service Providers Cost". The Service Providers Cost is subject to deduction of tax at source with TDS Certificates issued by the Company to the Service Provider.

In consideration of the facilities and administrative services provided by the Contract Manager to the Company, the Company agrees to pay the Contract Manager a management fee of amount calculated at the rate of ten percent (10%) of the Service Providers Cost per month ("Management Fee"). The Management Fee shall be subject to deduction of tax at source with TDS Certificates issued by the Company to the Contract Manager.

The Company shall pay to the Contract Manager an amount calculated at the rate of five percent (5%) of Service Providers Cost per month ("Performance Fee") which shall be subject to the performance of the Contract Manager. The Performance Fee shall be subject to deduction of tax at source with TDS Certificates issued by the Company to the Contract Manager. The Company shall pay the Performance Fee to the Contract Manager as mutually agreed based on the monthly score card. The aforesaid Performance Fee is subject to deduction of tax at source with TDS Certificates issued by the Company to the Service Provider.

2) <<Special Conditions of the Contract to be inserted as per Chapter 8>>

3) NOTICES AND OTHER CORRESPONDENCES
